Church Financial Management and Compliance Seminar

Friday, July 23rd

9:00am – 3:30pm

At this year's PNA Camp and Conference we are offering a special seminar because of the needs and challenges that many of our congregations face.

The legal and financial matters of church life are more complex than ever. And, increasingly leaders and volunteers are overwhelmed by the many laws and requirements that affect churches.

To help pastors, board members and treasurers make sense of it all we are pleased to bring **Dr. Julie Nance** to Climb '10 for this seminar. Dr. Nance operates *ABC's of Church Management*, a Church of God affiliated organization devoted to provide accurate, researched information regarding federal and state compliance issues for churches, tax information for churches and clergy, and assistance with risk management issues.

It is recommended that each church send one or more representatives to this timely event.
