A bi-monthly update of what's happening in our district, a network of 50 churches across Washington, northern Idaho, and northeastern Oregon.

Church planting in Snohomish County

After a lengthy search and assessment process we are excited to have Michael Reynolds to lead in the planting of a new church in the west Snohomish County region, specifically in the Marysville / Lake Stevens area. Mike, his wife Kim, and their four children recently moved here from Phoenix, Arizona

where he was the Student Ministry Pastor at Mountain Park Community Church. The Reynolds are no strangers to the Northwest, having previously lived and ministered in Washington.

Since arriving here Mike has begun the formative steps toward the launch of the new church, including the gathering of a launch team. A name has been chosen, "Hillside Church", which you'll be hearing more about in the coming months. Get more information at www.pnacog.org/connection.

Please pray for the Reynolds during this time of transition, and for this exciting new ministry venture.
