Strengthening Churches and Leaders for Mission

Dear Pastor:

I trust you are enjoying the beauty of autumn!

This is an exciting time in our district as we see churches actively involved in their communities expressing the Good News of Jesus. To continue encouraging this the PNA is focused more than ever on essential ministries that strengthen churches and leaders for mission.

In order to fulfill our mission and vision we depend on the financial support of our member churches. Your regular contributions make it possible for us to do our work, which is ultimately about strengthening your ministry.

In addition to your congregation's regular monthly support of the PNA, we want to invite you to **participate in this year's Thanksgiving Offering**. Thanksgiving has traditionally been a significant time across our district as churches have rallied together for a special offering for the PNA.

Regarding the Thanksgiving Offering, for 2011 we have adopted the theme "Partners in Mission", which summarizes the cooperative nature of our work together. This offering will help ensure that we are able to continue involvement in ministries that strengthen our congregations and leaders.

Please join in this year's Thanksgiving Offering, scheduled for **Sunday, November 20th** (although you may change the date to better fit your own calendar). We recommend you notify your congregation at least one week in advance so that they will be prepared to contribute.

Enclosed you will find several important resources:

- Bulletin insert masters in two formats (half sheet or third sheet) to accommodate different bulletin sizes
- Poster master for promotion around your facility
- Special remittance form for your church treasurer.

Please contact our office if you have any questions.

Thank you for your partnership in ministry and ongoing financial support!

In Christ,

Lloyd Moritz
